

# The pathway of authority

## Becoming Sons and Daughters

When we learn how to unlock the **significance** of who Jesus has made us, we develop an **authority** that becomes unshaken by what we face. This gradually re-wires how we see ourselves and helps us step into our true Godly **identity**. This helps us assertively **influence** in a compelling, assured, dignified way.

For further information, see pages **35-41** and **115-126** of 'The Promise and how to live it.'

## Application

### NOTICE

As you prioritise time reading the bible this week, ask God to reveal a deeper sense of who He is. Search scripture with the intention of deepening your appreciation of His character and ways. Notice times where you feel intimidated or daunted by what is before you.

### INVITE

Spend time communing with God, speaking to Him about what He is revealing. Ask Him to speak deeply about how He sees you, and invite Holy Spirit to gradually re-wire how you see yourself.

### RECEIVE

Consider a current situation that may shake you. Ask Him to pour courage into you for what lay ahead. Memorise scripture that re-enforces your Godly position of authority. Breathe this in deeply and keep reminding yourself who you are in Christ.
