PROMISE

Letting go

When we start to **surrender** our own thoughts, desires and feelings, letting go of our own **strength** brings us more of God's. This one-ness with Him brings such unity that the grip of our circumstances starts to pail in comparison. The **wholeness** this brings enables us to let go of trying to control, as we fall into the fullness of God. Our circumstances lose their grip and this becomes our **victory**. Whom the Son sets **free**, is free indeed.
